Deformable Tangible Interaction

Focus group @ M2 mosig

Purpose

Ideas of

Deformation/Reconfiguration/Shape-change

for future tangible UIs

Homework

Take at least 15 pictures
of shape-changing/reconfigurable/deformable objects
(or you wish they were)
for a week (before next course, December 9th 2015)

To avoid bias, do not talk to each other about it

Print and bring them to next course

Examples
